Flood Insurance: Protection You May Need

The anticipated spring showers might be dandy for your bulbs but not for your basement. Frequent rain, combined with rapidly melting snow, can quickly saturate the soil and cause flooding. Unfortunately, your homeowners insurance policy won't cover flood damage to your home or property. Only flood insurance will cover losses in the event of a flood.

Armed with the proper information about flood risks and protection options, you can make informed decisions to protecting your financial investments. [Find out why you should consider flood insurance.](#)

Drivers: Don't Push Your Luck

Even the most cautious drivers may let their guard down when it comes to drinking and driving on St. Patrick's Day. If you partake in the annual spring celebrations, take proper precautions to prevent alcohol-related accidents.
